ISSUE FINE ART REPRODUCTION, DIPTYCH 2

Are the dueling swordsmen South + English (a.k.a. Palmer Smith and David Ebbetts)? Who will prevail? Fine art reproduction diptych Issues 1-2 holds a special place in S+E's collective heart. Here, opposites meet head on – in positive and negative hues of blue. The denouement, we believe, is truce, reconciliation, happiness.

Additional details: Reproduced on archival paper and mounted in a gold-and-black frame. Topped with glass. Standard as detailed, but we welcome custom collabs. Simply [email](#) now.
