JASPER BEDSIDE TABLE

We're a bit smitten with structural detail. Sure, it holds a design together (quite literally), but it's also where form meets function. We love it (especially South) and it's why Jasper is conceived with exterior metal bracing - available in five metal finishes - offset against a wonderful simplicity of form. Choose from any of our Bespoke finishes, Bench-Made in the USA. Customizations welcomed.

Standard Size Overall: W28 x D20 x H30
