LET'S CUSTOMIZE

JASPER CHEST

Jasper's simplicity of form allows the craftsmanship to take center stage. Where form meets function and design becomes architecture. The contrast between the architectural metal framework and the bedside's clean, restrained silhouette creates a composition that feels modern, purposeful, and quietly bold. The exterior metal frame is available in five distinct metal finishes, offering designers the ability to introduce contrast or cohesion within a space.

Bespoke for you. This S+E piece is made expressly for your project by skilled artisans in the USA. Your color, Your dimensions, Your wood, Your Chest

Standard Size Overall: W42 x D20 x H36
