KENNINGTON BENCH

Inspired by our [Kennington Coffee Table](#), the waterfall design has a gilded leg to compliment the hardwood construction. A member of our Bespoke collection, the bench is available in our wood and metal finishes. You may specify with or without the organic live edge (as shown). Crafted by skilled artisans with long experience in the furniture-making tradition. Customization by the inch is always an option.

You can create, it won't add to your wait – customizations are welcomed and will not alter our speedy 4-6 week lead time.
