KRISTOF BOOKSHELF

English has little patience for all-or-nothing propositions. In life and design. As a result, South + English is the master of what we call combination pieces, which thoughtfully and unexpectedly mix materials. Enter Kristof, a 6-tier bookcase with intriguing Lucite details on the side panels. The mechanics of the wood/acrylic pairing are a bit tricky – which is why designs of this ilk are rare – but there's no stopping English once an idea takes hold. Kristof is solid and transparent, simple and elegant. Shown in Smoked Grey Oak, one of many fab finishes. Bench-Made in USA.

You can create, it won't add to your wait – customizations are welcomed and will not alter our speedy 4-6 week lead time.

Overall: W35 x D14 x H80.
