KRISTOF BOOKSHELF

English has little patience for all-or-nothing propositions. In life and design. As a result, South + English is the master of what we call combination pieces, which thoughtfully and unexpectedly mix materials. Enter Kristof, a 6-tier bookcase with intriguing Lucite details on the side panels. The mechanics of the wood/acrylic pairing are a bit tricky – which is why designs of this ilk are rare – but there's no stopping English once an idea takes hold. Kristof is solid and transparent, simple and elegant. Shown in Smoked Grey Oak, one of many fab finishes. Made in America. Clean Slate Collection.

Overall: W35 x D14 x H80.
