PADSTOW BEDSIDE

The Padstow Bedside allows craftsmanship to take center stage—where form meets function and design becomes architecture. Its clean, restrained silhouette highlights the beauty of the wood while creating a quietly confident presence beside the bed. The interplay between the warm wood surfaces and the sculptural metal base creates a piece that feels modern, purposeful, and quietly bold.

Two well-proportioned drawers offer practical bedside storage, while the metal stretcher base adds visual lightness and a note of subtle glamour. Crafted with care and available in bespoke finishes, the Padstow Bedside reflects South + English's commitment to thoughtful design, enduring materials, and elegant proportion.
