

LILY DINING CHAIR

Lilly Chair

This comfy little lady pairs playful detailing with a tailored silhouette, introducing a fresh take on classic form. Slender, dainty arms lend a light, feminine touch, while the newly introduced bobbin legs bring texture, rhythm, and a hint of heritage character to the design.

The upholstered seat and back offer inviting comfort, making Lilly as practical as she is delightful. Her proportions feel considered and versatile, allowing the chair to work beautifully at a desk, around a dining table, or as a charming accent in a layered interior.
