BRAMERTON COUNTER STOOL

The Bramerton Stool has your lumbar covered—quite literally. The sculpted back, featuring channeled construction, provides subtle lumbar support, making the stool as inviting as it is visually distinctive. Thoughtfully designed for long, leisurely dinners and relaxed gatherings, Bramerton pairs tailored upholstery with a sturdy wood frame that lends the piece quiet architectural strength. Available in a range of wood finishes and offered with COM (*Customer's Own Material*) upholstery, Bramerton gives designers the freedom to tailor both material and mood to the project's palette.
