LOST IN A DREAM

Lost In A Dream, one of Linwood's newest abstract art is bold in both color and neutral hues. Here, various shades of Pink interact with pure blacks, and pops of muted pastels. Linwood's brush strokes are confident and assured - serene and unchanged. The canvas is noteworthy for strong graphic appeal, texture, layers of glazed and overpainted documents and artist graffiti. The bits of history like "stolen vote" from the Stacey Abrahams election (2007) mixes with playful scrabble pieces to make modern art for uncommon interiors.
