MELROSE DESK

With flared legs and optional contrasting drawer fronts, Melrose confidently flaunts its midcentury modern pedigree. The silhouette is poised and graphic, balancing retro influence with tailored restraint. A marker of detail and quality, the legs are threaded through solid steel supporting braces—an architectural gesture that reinforces the structure while introducing a subtle industrial note. The steel braces are available in five finishes, allowing designers to tailor to your projects palette.

Bespoke for you. This S+E piece is made expressly for your project by skilled artisans in the USA. Your color, Your dimensions, Your wood, Your desk

Overall: W59 x D25 x H30
