

## MELROSE DESK

With flared legs and mottled mirrored drawer fronts (or not), Melrose simply flaunts its midcentury modern pedigree. Yet, the craftsmanship is unequivocally today. The desktop is bench-made in solid oak (with a vast choice of finishes; Dove Grey is shown here). A marker of detail and quality, our workroom threads the legs through solid steel supporting braces, available in five finishes. Drawer pulls coordinate tastefully. Also available with finished wood drawer fronts. Bench-Made in USA, Bespoke collection.

**You can create, it won't add to your wait –** customizations are welcomed and will not alter our speedy 4-6 week lead time.
