

MONTAGUE CONSOLE

The Montague Console is a quiet study in seamless form—where solid wood and spacious proportion resolve into a composition of clean, modern lines. The silhouette recalls the restrained elegance of early 20th-century minimalism, with subtle reference to the architectural clarity of the 1920s. Defined by clean lines, quiet proportion, and a refined architectural frame, the console functions as both furnishing and form. The open profile allows the piece to sit lightly within a space, while the solid wood construction lends material warmth and integrity.

Bespoke for you. This S+E piece is made expressly for your project by skilled artisans in the USA. Your color, Your dimensions, Your wood, Your console

OVERALL: W59 x D14 x H33
