

MOVEMENT CABINET

Inspired by our best-selling [Movement Art Series](#), the Movement Cabinet door fronts feature similar designs, crafted by layering hand-cut wooden shapes. The Movement Cabinet has true substance, crafted by hand in solid oak or maple, and is available in any of our maple or oak finishes – mixing finishes (as shown) is always an option. The unique door fronts open with ease, revealing a spacious interior. Set on a plinth base, the Movement Cabinet appears to float – entirely by design. Bench-Made in the USA, Customizations welcome.

You can create, it won't add to your wait – customizations are welcomed and will not alter our speedy 4-6 week lead time.
