

OSKAR DAYBED

You simply must meet Oskar. He's a daybed, but one that piques jealousy amongst sexy sofas and come-hither chairs. The sculpted wood frame is available in all Clean Slate finishes - including colorful Kaleidoscope paint matches, and you're invited to choose from S+E's assortment of linens and velvets. As for a designer COM? Bring it on. We love collaborations. Oskar is made by hand in America.
