OSKAR DAYBED

You simply must meet Oskar. He's a daybed, but one that piques jealousy amongst sexy sofas and come-hither chairs. The sculpted wood frame is available in variety of our Bespoke finishes - including colorful Kaleidoscope paint matches. We invite you to choose from S+E's assortment of linens and velvets. As for a designer COM? Bring it on. We love collaborations. Oskar is made by hand in America.

You can create, it won't add to your wait – customizations are welcomed and will not alter our speedy 4-6 week lead time.

OVERALL: W84 x D33 x H29.5 (COM: 6 yards)
