

OSLO SLIDING 3-DOOR CABINET

A glamorous profiled façade, indeed. Scandinavian in inspiration. But the South + English Oslo cabinet has true substance, crafted by hand in solid oak. Paneled door fronts slide easily from here to there, revealing a spacious interior. Set on a plinth base, Oslo appears to float – entirely by design. Available in a palette of unique finishes. Made in USA. Clean Slate Collection.

You can create, it won't add to your wait – customizations are welcomed and will not alter our speedy 4-6 week lead time.
