OSLO 4-DOOR CABINET

The Oslo 4-Door Cabinet has true substance, crafted by hand in solid wood and inspired by the clean, restrained language of Scandinavian design. The refined vertical paneled profile introduces texture and subtle rhythm, allowing the piece to read as both graphic and quietly dimensional. The composition is pared back yet richly finished—minimal in form, elevated in presence.

Bespoke for you. This S+E piece is made expressly for your project by skilled artisans in the USA. Your color, Your dimensions, Your wood, Your cabinet
