OSLO COFFEE TABLE

Defined by a crisp, paneled drum silhouette, Oslo brings architectural rhythm to a room while maintaining a clean, sculptural profile. The refined vertical paneled profile adds texture and depth, allowing the piece to read as both graphic and quietly dimensional. The result is a coffee table that feels restrained yet richly finished—minimal in form, elevated in presence.

Bespoke for you. This S+E piece is made expressly for your project by skilled artisans in the USA. Your color, Your dimensions, Your wood, Your coffee table

Overall: 39" dia. x 18" H
