OSLO DINING TABLE, OVAL

The Oslo Oval Dining Table pairs minimalist form with Scandinavian design. Its sculptural pedestal base features fluted detailing that introduces subtle texture. The gently tapered pedestal creates a balanced composition that feels grounded yet visually light. As light moves across the surface, it creates depth and shadow, allowing the base to feel both dynamic and elegant. Clean lines and thoughtful proportions allow the natural beauty of the wood grain and finish to take center stage, celebrating the material's warmth and character.

Solid wood oval tops are offered in custom racetrack or elliptical shapes, allowing designers to select the profile best suited to their space and seating plan. A choice of straight or beveled edges further refines the silhouette.

Bespoke for you. This S+E piece is made expressly for your project by skilled artisans in the USA. Your color, Your dimensions, Your wood, Your dining table

Shown: Top (Oval) - W 72" x D 30" (1.25")/ Base x Dia 24"
