

OSLO DINING TABLE, ROUND

Are you drawn to Scandinavian style, so spare and lean and clean? We are as well. Yet, never satisfied with the status quo, S+E adds a bit of glam and sheen to up the ante and appeal of this classic style. Note the richly figured paneled drum base. Oval tabletops are available in two sizes with two edge treatments. Make the look entirely your own in a variety of finishes - from Bisque (as shown in our feature image) to Starry Sky Oak (on display in secondary photos) and everything in between.. For still more variation, the Oslo dining table base may be paired with round tabletops as well. Made in America. Clean Slate Collection.
