OSLO DOUBLE PEDESTAL DINING TABLE

Oslo Double Pedestal Dining Table

The Oslo Double Pedestal Dining Table pairs minimalist form with Scandinavian-inspired design. Its sculptural, gently tapered pedestal bases feature fluted detailing, introducing subtle texture and architectural rhythm to the clean silhouette.

As light moves across the fluting, it creates depth and shadow, giving the bases a dynamic yet refined presence. Thoughtful proportions keep the substantial table feeling balanced and visually light, while the restrained design allows the natural wood grain and finish to take center stage. Warm, sculptural, and quietly sophisticated, the Oslo celebrates the beauty of natural materials through considered craftsmanship and timeless form.
