## PALLADIO DESK

The Palladio Writing Desk is a quiet celebration of simple elegance, inspired by Andrea Palladio, the famed Venetian architect. The desk's refined silhouette reflects this lineage through elegant symmetries and contrasting color—an exercise in balance that is as pleasing to the eye as it is practical in daily use. Designed to work beautifully in both form and function, Palladio offers a composed work surface within a tailored architectural frame.

**Bespoke for you. This S+E piece is made expressly for your project by skilled artisans in the USA. Your color, Your dimensions, Your wood, Your desk**
