PAOLO DINING CHAIR

Designed for long, lingering, and lovely dinners, the Paolo dining chair pairs sculptural elegance with inviting comfort. The graceful, modified wingback frames the sitter with a sense of intimacy, while the plump, supportive tight seat and gently arched back provide lasting comfort—an ideal perch for dining, conversation, and repartee. Custom tailoring treatments—including welts, piping, and decorative detailing—are available, along with a selection of leg styles to suit the project's aesthetic. Available in a range of wood finishes and offered with COM (Customer's Own Material) upholstery, Paolo allows designers to tailor both material and mood to the project's palette.

This S+E piece is made expressly for your project by skilled artisans in the USA. Your color, Your dimensions, Your wood, Your Seating
