

PEARL CHAIR

Pearl Chair

The Pearl Chair is our modern take on Ye Olde Bobbin Chair—reimagined for today with a sleeker profile, bold proportions, and a playful sense of sophistication.

Its sculptural wooden frame features oversized, pearl-like turnings that create a striking rhythm of shape and texture. The open silhouette balances traditional craftsmanship with contemporary design, while generously upholstered cushions soften the architectural lines and offer inviting comfort.

Equal parts whimsical and refined, the Pearl Chair celebrates the artistry of furniture making with a fresh perspective on a timeless classic. Customizable in upholstery and finish, it brings personality, texture, and unexpected charm to any interior.

This S+E piece is made expressly for your project by skilled artisans in the USA. Your color, Your dimensions, Your wood, Your Seating

Overall: W31" x D34" x H 33"

Seat Height: 21"/ Arm Height: 24"
