

PORTLAND COFFEE TABLE

Portland. It's a design concept with legs. Six, in fact. Portland's provenance harkens back to Provence. South spotted its antecedent in a Côte d'Azur antique shop. Many modifications later – including Beaux Arts inspired trumpet legs, crisscross stretcher and notched White Carrera Marble table top – the Portland Coffee Table is a true South + English original. Materials: Roman Brass and White Carrera Marble.

Overall: W50 x D30 x H19

SKU: POR-CFT-ROB
