PORTOBELLO QUEEN 4-POSTER BED

Portobello 4-Poster Bed
The Portobello 4-Poster Bed brings old-world character into a fresh, modern light. Crafted in a rich Old World Oak finish, its striking silhouette is defined by sculptural posts composed of stacked, block-like forms—an architectural detail that adds rhythm, texture, and a sense of handcrafted artistry.

The gently shaped headboard softens the composition, offering a refined counterpoint to the bold verticality of the posts. The interplay between structure and softness creates a bed that feels both grounded and inviting—timeless in spirit, yet distinctly of the moment.
