SANTINO TALL CABINET

The Santino Tall Cabinet is a study in tailored contrast—confident, refined, and impeccably executed. With a tuxedo-like presence, the piece balances crisp geometry with soft curvature, creating a silhouette that feels both architectural and inviting. The curved waterfall top introduces a fluid architectural moment, softening the composition while showcasing the precision of the craftsmanship.

Bespoke for you. This S+E piece is made expressly for your project by skilled artisans in the USA. Your color, Your dimensions, Your wood, Your cabinet
