

SHARED STORIES

Shared Stories — DJE Original

Layered, intimate, and quietly expressive, *Shared Stories* explores the way individual experiences gather to create a larger collective narrative. Organic, hand-drawn forms are arranged across a softly textured ground, each holding its own intricate pattern of loops, circles, and intersecting lines—distinct compositions that feel like fragments of memory.

A restrained palette of chalky white, pale blue, blush, soft stone, and unexpected touches of citron gives the work a light, atmospheric quality. Raised, gestural outlines bring dimension to the surface, while the irregularity of each shape preserves the unmistakable presence of the artist's hand.
