SIDE BY SIDE, SERIES 1-4

The Lives series disrupts the order of things. Life is not linear. People, places, thoughts, emotion and experience bump up against each other, resist and attract randomly. Therein lies the beauty. Mixed media on canvas with gold leaf. Beige linen mat set under glass in a gold frame.

Lives is conceived and shown as four-piece series. The four works are available for sale individually or as a complete set.

Framed size: 25.5 x 31.5 (each)
