SIX CONVERSATIONS

Six Conversations

Vivid and animated, *Six Conversations* unfolds as a series of abstract exchanges—six distinct yet interconnected compositions that read like moments of dialogue captured in motion. Each grouping of form carries its own rhythm and personality, while collectively contributing to a larger narrative of interaction and flow.

Bold, sculptural shapes—outlined in deep charcoal—frame a palette of warm ochres, soft creams, coral reds, and punctuations of golden yellow. Set against a muted, atmospheric ground, the composition balances energy with restraint—allowing the color and form to take focus without overwhelming the eye.

Mixed media plaster on canvas. Beautifully Framed In a Gold Canvas Floater Frame
