## SOLWAY DINING TABLE

It takes two to make a beat go right. The Solway Dining Table is a bold study in contrast, where two distinct structural elements come together in perfect balance. One end features a solid wood waterfall form—clean, architectural, and grounded—while the opposite end introduces a sculptural modernist base crafted from hand-wrought steel (available in 5 metal finishes).

**Bespoke for you. This S+E piece is made expressly for your project by skilled artisans in the USA. Your color, Your dimensions, Your wood, Your dining table**

**As Shown:** 96" W x 40" D x 30" H

**call for pricing on Square, Rounded Rectangular or Oval shapes*
