STARMAN DINING TABLE, ROUND

The Starman Dining Table commands attention. Its dynamic pedestal is composed of intersecting planes that create a rhythmic interplay of structure and openness, allowing light to move through the base while maintaining a strong architectural presence. From every angle, the base reveals a new perspective, lending the table a sense of movement and modern artistry. Starman allows designers to tailor the palette to suit the project's vision—whether rich and dramatic or light and contemporary.

Bespoke for you. This S+E piece is made expressly for your project by skilled artisans in the USA. Your color, Your dimensions, Your wood, Your dining table

As Shown: Top Dia: 60" (1.25") / Base - Dia: 27" x H: 28.25"
