STARR 6-DRAWER / 2-DOOR CABINET

The Starr Cabinet is our chameleon—designed with adaptable doors and drawers to meet specific design needs with ease. Shown here with exceptional contrast—Ambrosia Maple faces set against a refined oak plinth base—the composition balances graphic contrast with warm material expression. The result is a piece that feels tailored, architectural, and quietly distinctive. Designers are invited to mix woods and finishes to create tonal harmony or intentional contrast.

Bespoke for you. This S+E piece is made expressly for your project by skilled artisans in the USA. Your color, Your dimensions, Your wood, Your cabinet

Overall: W84 Dx19 x H38.5
