## **STILL TIME**

Still Time- a piece worth acknowledging. Linwood creatively develops the canvas to show meaning. Take note of Linwood's language: rich brush strokes, bold color, graphic shapes, casual calligraphy and - as always - understated bateau symbolism suggesting the journey. The dripping paint, the splotchy patterns, all pulled together to form a beautiful piece.

Beautifully Float Framed In Gold Floater style.

Framed size: 38" x 50"
