

THE-BUTTERFLY-COUNTS-THE-MOMENTS, ORIGINAL ART DIPTYCH

Here, Linwood explores the subject of change with purpose, panorama and vision. This mixed media on canvas diptych makes a statement with precise brushstroke and bursts of color, which seem to blossom like a flower. Bateau or boat imagery, Linwood's recurrent symbol of transcendence, drift - purposefully and subtly - throughout the canvas. Beautifully framed in Silver.

Canvas size each: 36 x 48
