

THIS MOMENT, ORIGINAL ART

Mitchell Hill Galleries

Linwood seeks to capture a fleeting, temporal moment in a piece of modern abstract art. Such is the duty and calling of art. Take note of Linwood's language: rich brush strokes, bold color, graphic shapes, casual calligraphy and - as always - understated bateau symbolism suggesting the journey. This is a quintessential moment. Beautifully framed in Gold.

This piece is available through Mitchell Hill Galleries in Charleston, SC. For more information, visit their [website](#) or [email](#) now.
