TO NOT WANT, ORIGINAL ART DIPTYCH

Linwood's most recent works of art were completed in spring 2020 at a remote seaside retreat before we all took to our homes. "To Not Want" embraces the very fullness of life. The entire diptych background is covered in antique manuscript pages, vintage letters home, and other collected artifacts (can you spy Marie Antoinette?). The artist then adds layers of paint, casual calligraphy and graffiti. "To Not Want" wants for nothing, except availability. It is in another's collection, but may serve as a point of inspiration for a custom commission.
