

TOO MANY FEELS, ORIGINAL ART

Light emerges from darkness in this emotive piece of modern art. Note the bold strokes of black tempered with lighter hues in white, pink, blue and taupe. Archival manuscript pages, floral prints and sheet music are collaged, overpainted and glazed to add - quite literally - layers of meaning, interest and feeling. Framed in Gold.

Canvas size: 50 x 62

Framed size: 52 x 64
