TORN BETWEEN, ORIGINAL ART

"Torn Between" is not to be had. It has been purchased by another. Linwood welcomes private commissions and finds existing works are often a point of departure for new originals. Your enquiries are welcome. "Torn Between" explores color with purpose and novelty. Hues of blue, grey, rosé and pink prevail. Black strokes are graphic and omnipresent. Collage ephemera are glazed and overpainted to create layers of meaning. Despite the title, harmony is achieved. Framed in Gold.
