

VIGOR, ORIGINAL ART

"I must not ..." is an open-ended command we suspect the artist Linwood never seriously considered. "Vigor," a mixed-media canvas with tactile layers of paint, collage, and graffiti emboldens the viewer with a sense of beauty and defiant life-affirming energy. Blues and grays, as well as pinks and fuchsia mix and meld on a neutral ground. Beautifully framed in Gold.

Canvas Size: 30 x 40

Framed Size: 32 x 42
