VIVIENNE SLIPPER CHAIR

Cute meets fashion in the Vivienne Slipper Chair—a curvaceous little beauty that brings charm, personality, and a dash of glamour to any space. Its softly rounded seat and gently arched back create a sculptural silhouette that feels both playful and refined.

Set atop distinctive turned wood feet, Vivienne balances its plush upholstered form with a touch of bold character. The low profile and compact footprint make it perfectly suited for a vanity, dressing area, or powder room, where comfort and style are equally at home.

Thoughtfully designed to stand out without overwhelming a room, Vivienne invites designers to experiment with fabric, texture, and color. With customizable upholstery options and bespoke wood finishes, it offers a delightful opportunity to introduce a fashionable accent piece that feels as chic as it is inviting.
