

WE MUST RISK DELIGHT, ORIGINAL ART

Available at Jones-Keena
Art, according to Linwood, exists in the eye of the beholder. “My art,” explains Linwood, “is about expression. The message? Not for me to say. The kick is for the viewer to discover meaning in the work. I totally own my feelings and opinions, but I’m not one to lecture.” That said, dar you risk delight? Beautifully framed in Gold.

This piece is available through Jones-Keena in Michigan. For more information, visit their website or email now.

Canvas size: 30 x 40
