

## WE MUST RISK DELIGHT, ORIGINAL ART

*Available at Jones-Keena*

Art, according to Linwood, exists in the eye of the beholder. "My art," explains Linwood, "is about expression. The message? Not for me to say. The kick is for the viewer to discover meaning in the work. I totally own my feelings and opinions, but I'm not one to lecture." That said, dar you risk delight? Beautifully framed in Gold.
