WESTONBIRT CONSOLE

Westonbirt is defined by European modern lines and a quietly architectural presence—clean, confident, and beautifully restrained. The pared-back silhouette allows materiality and proportion to take center stage, creating a console that feels refined yet approachable. Crafted in solid oak or maple and finished in your selected bespoke finish. Its simplicity of form makes it endlessly versatile, equally at home in an entry, behind a sofa, or along a gallery-like corridor.
