

WONDERMENT, ORIGINAL ART

Available at Mitchell Hill Galleries

Art, according to Linwood, exists in the eye of the beholder. "My art," explains Linwood, "is about expression. The message? Not for me to say. The kick is for the viewer to discover meaning in the work. I totally own my feelings and opinions, but I'm not one to lecture." What does "Wonderment" say to you? Beautifully framed in Gold.

This piece is available through Mitchell Hill Galleries in Charleston, SC. For more information, visit their [website](#) or [email](#) now.
