First Flight [2019]

**Chat**  
*or chinwag?*

South + English is the brainchild of longtime partners and creative collaborators Palmer Linwood Smith and David Ebbetts – the former an irrepressible live-large Southerner and the latter, a dialed-back, buttoned-up Brit. Honestly, they couldn't be more different. And that's where the magic happens.

With a counter-intuitive mix of provenance and personality, South + English is a new home décor collection where opposites attract and styles converge.

**BEAUTIFULLY.**

“WELL, I DON’T WANT TO BURST YOUR BUBBLE, BUT NINE MONTHS?? YOU CAN’T KEEP A SECRET FOR NINE MINUTES.”

# Penultimate Premiere.

South + English emerged from the creative minds and hands of Palmer and David just nine months ago (somewhat under the radar). S+E is in its infancy, indeed! What heady and fun early days these are, full of experimentation and revelation.

But, great design never flourishes in the dark, and secrecy is not our nature. While the South + English perspective is honed and distinctive, Palmer and David crave community. Hence, fall High Point Market is the first-flight penultimate launch of approximately fifty South + English furniture pieces, and dozens more works of art.

This is the beginning of the beginning. Fasten seatbelts – and please do join us!

# Clean Slate.

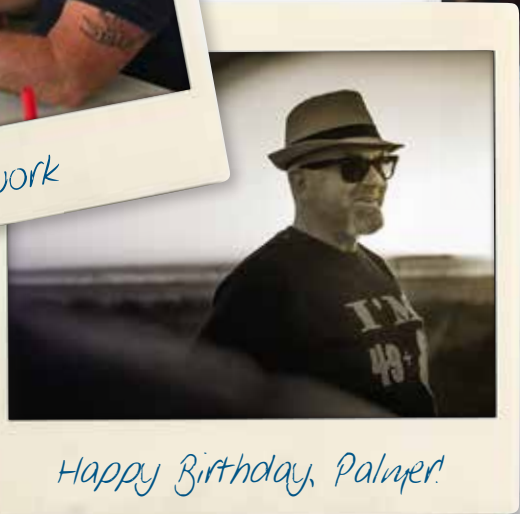

**It's About Furniture. It's About Life.** You've got it: South + English is all about fresh starts. Forward is the only direction Palmer and David know. So, it's perhaps no surprise that the first S+E collection is called Clean Slate. Each piece feels fresh, modern and in the moment. Yet, Clean Slate designs echo traditional forms and the manufacturing process is classic old school. Each solid wood piece is made to order in the American Middle West, bench-made by skilled artisans.

“GROWING UP IN THE SOUTH, SUPPERTIME WAS SPECIAL. I KNEW TO BE HOME AND WASHED UP BY 5PM. SPECIAL DOESN'T MEAN FUSSY THOUGH, AND I CAN TELL YOU MY MOTHER LOVES THE OSLO DINING TABLE. ME TOO. WHAT'S THAT THING ABOUT APPLES AND TREES...?”

**ENGLISH SAYS**

“I PUT HEART AND SOUL INTO THIS DESIGN. IT'S INSPIRED BY A MIDCENTURY ITALIAN ORIGINAL. EACH OF THE VERTICAL PANELS ON THE BASE IS MADE BY HAND AND PLACED ON THE EMPIRE GOLD METAL BASE. OUR FACTORY IS BRILLIANT.”

# Yes, we have a softer side.

Chairs, sofas, benches and chaises are couture in the land of furniture, as far as South + English is concerned. Each S+E style is designed for comfort and then dressed to kill. This Market, we’ve a penchant for pinks and purples, but our lineup of velvets and linens offers something for everyone. Inevitably, our favorites are yours: COMs are welcome.

Choose from three wood trim finishes. Welts, trims and buttons, extra details make our day.

## Mirrored Statements

The first mirrors in our collection could not be more different – or more interesting. Giselle is quietly Queen Anne style with a French twist. Coburg is proudly Prussian, with angular good looks.

## Put on a pedestal

Perfect for a G+T (English) or a Spiked Palmer (South), tiny tables are diminutive standouts in a design plan. Edouard and Nelson are at your service.

## Stuck in the middle

A pair of curvaceous side tables embraces a solitary drum table (available separately) to form the versatile Galvarino coffee table ensemble.

ENGLISH SAYS

“SCULPTURE MAY BE MY FAVOURITE ART FORM.  
IT’S A SENSORY FEAST OF SHAPE AND TEXTURE.”

For its launch collection, S+E recasts antique sculptural finds, rescued from dusty continental flea markets, now reinvented as objet d’art and even tabletop lighting.

# Living with Art.

**Art elevates everything** — the spaces we inhabit and life itself. Thus from inception, art has been essential to S+E’s lively home decor mix. South is an accomplished painter in his own right — under the brush-name Linwood. English is an avid collector and connoisseur. Together, Palmer and David have curated an interesting collection of fine art reproductions available in various sizes with modern museum-quality frame options. Best of all, it’s easy — as simple as 1, 2, 3 — to start decorating and collecting now.

**STEP 1: FALL IN LOVE.** Select from over 50 fine art reproductions.

**Remix Originals** are coveted and collectible.

Artist and our own Palmer Linwood Smith, customizes or “remixes” selected prints with additional brushstrokes, collage, graffiti or color blocks to create a new original, offered in a limited-edition, numbered series. Size it and frame it up in all the standard (and exceptional) S+E choices.
