# cheers & howdy. welcome to our world.

2 We are implausibly perfect. With a counter-intuitive mix of provenance and personality, South + English is the home décor brand where opposites attract and styles converge. We bend the rules. We blur the lines. Mastering this unique balancing act is the essence of both good design and the art of living.

S+E is the brainchild of longtime partners and creative collaborators Palmer Linwood Smith and David Ebbetts – the former an irrepressible live-large Southerner and the latter, a dialed-back, buttoned-up Brit. Honestly, they couldn't be more different. Therein lies the magic.

## SHOP THE S+E COLLECTION OF ORIGINAL ART

South + English co-founders, Palmer Linwood Smith and David Ebbetts love to create. Both are fine artists in their own right.

A true master of mixed media, the artist Linwood (Palmer Smith) experiments with acrylic, oil, watercolor, pastel, pencil and even collaging found objects in a diverse, intriguing and highly collectible body of work.

DJE original art (from our own David Ebbetts) embraces a unique material mix. Wood, fabric, and plaster on canvas morph in interesting combinations of form and color. Subject matter is abstract and familiar. Geometries are essential. Nothing feels static. All forms are dimensional.

BREATHE IT ALL IN!
