hip & classic.

South + English is the brainchild of longtime partners and creative collaborators Palmer Linwood Smith and David Ebbetts – the former an irrepressible live-large Southerner and the latter, a dialed-back, buttoned-up Brit. Honestly, they couldn't be more different. And therein lies the magic.

With a counter-intuitive mix of provenance and personality, South + English is an emerging home décor collection where opposites attract and styles converge.

CLEAN | SLATE

BENCH-MADE TO ORDER IN USA

With a nod to traditional forms and silhouettes, Clean Slate is a collection of updated classics for the way we live today. Designs are fresh, pared back, free from fussy detail and awkward proportions. South + English co-founders Palmer Smith and David Ebbetts have lovingly labored over each design and calibrated every finish. That said, your customizations are welcome. S+E loves design collaborations. All things are possible – as Clean Slate is made in America. It's quite like someone opened a window. Hello, fresh air!

ENGLISH SAYS

"I LOVE THE DESIGN PROCESS. THIS IS REALLY WHAT S+E'S ABOUT FOR ME ... IT'S PLAYTIME FOR ADULTS. SEEING IDEAS COME TO LIFE IS STILL A HUGE BUZZ, ESPECIALLY THE INNOVATIVE DESIGNS, MANY IN THIS BOOKLET. MY HEART STILL MISSES A BEAT WHEN I SEE THEM IN DESIGNER PROJECTS AND CLIENT HOMES."

We've got a crush on color. All of them. The entire kaleidoscope. Hence the name. Kaleidoscope is paint-match program within South + English's Clean Slate collection. To get started, simply pick a hue from any professional paint-match program, like Benjamin Moore. You may also specify wood grain visibility preference. Start dreaming (and designing) in living color now.

SOUTH SAYS

"I'M AN OPERA BUFF – ENGLISH TOO. I LOVE THE ARTISTRY, THE DRAMA, THE SCALE, THE PAGEANTRY. S+E BEDS ARE TOTAL DIVAS, THE STARS OF THE MASTER SUITE. THESE BEDS HIT ALL THE HIGH NOTES. WE EVEN NAMED ONE AFTER OUR FAVORITE SOPRANO!"

NOT THE USUAL SUSPECTS. We believe every piece matters. There are no second-string players in the South + English lineup. Take the lowly bench, for example. South + English elevates the concept with interesting details, shapes, fabric applications and finishes. Our designs hold their own in your room — and sometimes make the room!

if these walls could talk.

Interesting art starts a conversation. Sometimes witty repartee. Other times existential dialectics. Light banter or heady stuff, it's all good. Because art is all about connection.

South + English has got a story for every wall and every design schematic. Take our decorative panels, shown here. Unique in the marketplace, each panel is unusual, tactile and dimensional, perfectly matted and placed in a shadowbox frame. Shop the entire collection at our High Point flagship and online. We simply must talk!

Picture Perfection.

Linwood is a modern abstract artist with an impressive body of work – and an alterego. The artist Linwood is South + English's very own Palmer Smith. A true master of mixed media, Linwood experiments with oils, acrylic, watercolor, pastel, pencil and even found objects and ephemera collaged on canvas.

Linwood originals celebrate life. The artist somehow captures a sense of omnipresent joy on canvas. Journey and transcendence are natural themes, represented by the bateau, or boat, a graphic symbol that emerges in nearly all Linwood creations.

Quite often, designers and collectors immediately connect with a Linwood original. Size, color palette and composition are just right. But not always. Linwood happily accepts custom commissions, creating a new original to your specifications, needs and desires.
